

In the
SPOT light

CAROL MITCHENER was honored on April 12, 2007 for her 26 years of service with Interfaith of The Woodlands, 21 of which she spent managing ITEP as its Executive Director and making the organization the largest contractor in The WorkSource system. Carol will be missed and the impact of her good work will be remembered by many for years to come.

Best Wishes, Carol, for a Happy Retirement!

Family, friends, Interfaith executives, Congressman Kevin Brady, ITEP and Gulf Coast Workforce Board staff all joined Carol to wish her well and share the highlights of her career. Carol's beautiful grandchildren made the event even more special.
