**PAM SANDERS RETIRES
AFTER 34 YEARS WITH TWC**

Pam Sanders was given a happy retirement party on June 12 by staff at H-GAC, where she officed during her final years of service as the Integrated Service Area Manager for the Texas Workforce Commission. She was joined by members of her staff and other long-time TWC co-workers. Pam will be missed, but after 34 years of service, everyone agreed she had earned a new life of leisure.
