

## WAY TO GO Denver Harbor!

SER had a lot to celebrate on March 21, 2007...70% of its Denver Harbor staff had attained the credential of **Certified Workforce Expert**. To recognize this achievement, management held a special pizza party for its high achievers. Joining them were staff who also became “experts” from the Northshore (40%), Northeast (27%) and Regency Square corporate (41%) offices. Congratulations to all!
