

The WorkSource – Spring Branch Holds an Open House

The WorkSource- Spring Branch kicked off 2008 by holding an open house on January 8th to introduce its new, relocated office to the local community. The event was attended by members of The WorkSource system family, area employers and the Northwest Chamber of Commerce. Chamber members held an official ribbon-cutting to mark the event.

The new Spring Branch office is located at 10405 Katy Freeway on the south side of the I-10 interstate in a shopping center next door to the Taste of Texas steak house. Challenged by current ongoing road construction in the area, the office can be reached via the feeder road between the Memorial Hermann Memorial Hospital complex and the Town & Country shopping center.
