Subject: Supplemental Nutrition Assistance Program Employment & Training (SNAP E&T) Guidelines

---

## Purpose

To update the guidance for the SNAP E&T program requirements.

## Revisions

WS 18-11 Change 2 released on March 6, 2023

## Background

Individuals applying for or receiving SNAP benefits must cooperate with Workforce Solutions, unless exempted by the Texas Health and Human Services Commission (HHSC). Those exempted may voluntarily work with us and must meet cooperation requirements to access Workforce Solutions under these programs.

Our services include matching individuals' education and skills with job opportunities, offering professional advice on job searches and applications, providing guidance on education and training, and identifying financial assistance for work and education.

## Action

WS 24-05 - SNAP E&T Guidelines

1. Career services staff must read and apply the SNAP E&T Guidelines and when assisting required or voluntary participants.
2. Career services provider management must ensure that they train and equip all staff with the necessary knowledge to assist SNAP E&T participants.
3. Career services provider senior management is responsible for actively monitoring and ensuring staff adhere to the procedures outlined in the guidelines.
